Forum Workshops - Sneak Peek

IRCAM-CENTRE POMPIDOU IS:

One of the
biggest public
research centers

Music creation &
scientific
research

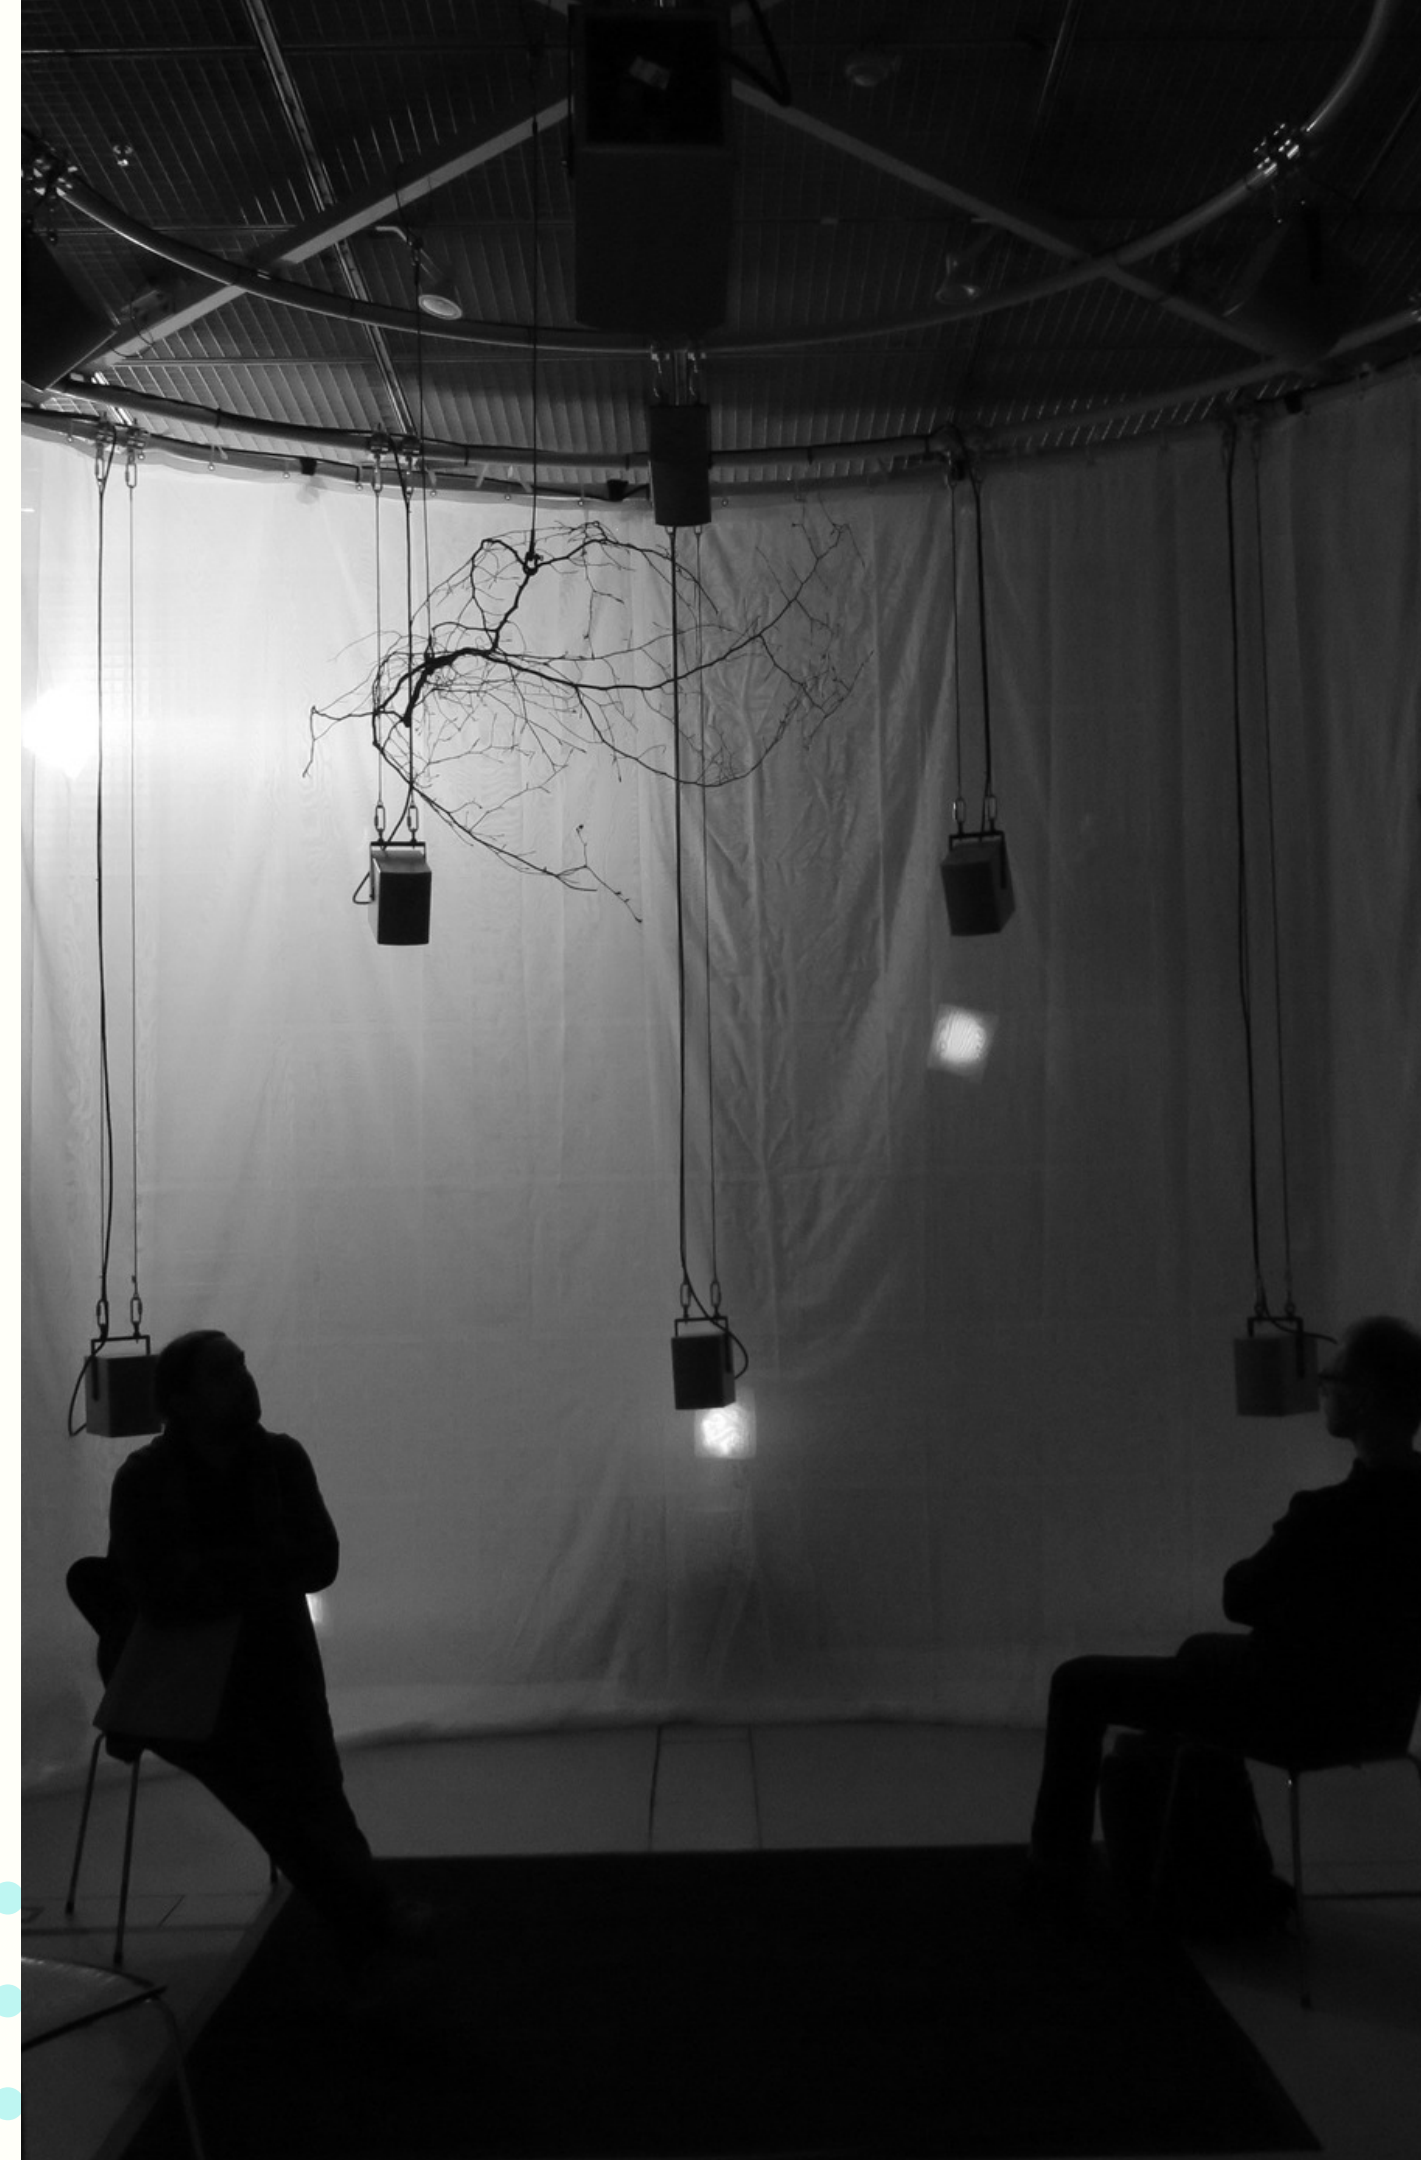

Artistic prospects &
technological scientific
innovations.

Through the **FORUM**, the institute aims to develop **Art-Science** networks and communities that use, develop, and share scientific tools for artistic creation and research. Created in 1993 and based at IRCAM, the Forum brings together around **twelve thousand users** (composers, performers, researchers, teachers, sound engineers) throughout the world.
