

TEMPLE UNIVERSITY - Japan Campus

GALLERY

Size: 8.9m x 7m

One electricity outlet on each wall, except on the window wall.

The gallery is next to the entrance, which is a great location, I hope you remember.

the volume can't be too loud, and we can also provide headphones, if the installation requires it.

Equipment available for the installation:

Speakers

4 JBL 3 series 305P MKII Powered studio monitors (or similar)

Sound interface

Focusrite Scarlett 18i8 = 8 inputs, 4 outputs

or

Focusrite Scarlett 2i2 = 2 inputs 2 outputs

or

MOTU 828x = 8 inputs, 8 outputs

or

RME UCX II = 8 inputs, 6 outputs

Headphones: at least 8 Sony MDR 7506
